Midwestern Parkway Road Closure

Wichita Falls, Texas – On Thursday, June 23, 2022 the City of Wichita Falls Streets Department will be completing repairs to the westbound guardrail that runs over McGrath Creek on Midwestern Parkway. The repairs will require closure of both westbound lanes from Weeks Park Lane to Cedar Elm Lane. This closure is anticipated to last two hours, beginning at 6:30am through 8:30am.

After 8:30am westbound traffic will be opened to one lane only while the repairs are completed. Traffic should proceed with caution in the area.
